May it please your Highness

I beg most respectfully to state, that I am a student of the 3rd year class in the Medical College at Lahore which I joined after having read up to the B A standard Owing to the sudden and untimely death of my father Benodebehari Ghosh - a graduate in Arts and Law of the Calcutta University the only supporter of the family, - I am so much reduced in circumstances that I can no longer afford to prosecute my studies in the Medical College, there being no other relations to keep me on in my studies

I respectfully submit this application to your Highness for assistance, being confident of your Highness wide known generosity and fame and eagerness in rendering help to all poor and deserving men, and I beg to approach your Highness with the humble prayer that with your Highness kindness and generosity your Highness may be kind enough
